

Mid American Studio Updates

May 2020

Mid American Studio Dancers & Families-

We want to thank you all so much for joining us for virtual dance and pom classes, live classes through our social media channels, and more! We have loved being able to reconnect with all of our students and dance together again.

Regularly scheduled winter semester classes finish next week, Friday May 8th. At this time, we feel it is best to end all classes until we have confirmation of a new recital date. Once our teachers are allowed back in the studio, we will update the MindBody Video Library to include choreography videos for all dances, including those currently in virtual classes.

Our **Spring Dance Recital has been postponed**, until further notice. A new performance date and/or decision to cancel the performance will be announced by June 1st!

Since all of the costumes have already been delivered to the studio, we would like to host a **Drive-Up Costume Night!** Pending Governor Whitmer's next announcement and social distancing guidelines, we are hoping to organize this event during the week of May 18th. More information about how to pick up your child's costumes will be shared very soon.

Exciting Studio Updates!

Thanks to Ms. Karen's husband Keith, **Studio A has gotten a major face-lift!** Some new paint, secured ballet bars, new water bottle cubbies, and extra clean floors can make a HUGE difference! Although this is not how we pictured the spring semester turning out, we are grateful for the opportunity to make some exciting studio improvements! We can't wait for you all to see the updates in person very soon!

Summer Dance, Pom, & Camp Information

The Summer Dance and Pom class schedule will be released in June, dates are contingent on the full re-opening of the studio! We are also planning to host a few pom and dance themed day-camps toward the end of the summer!

We will keep you posted as we move forward with summer plans. Please be patient and understanding that we too are always waiting for the next update from the government, health officials, etc.

In the meantime- stay connected with us via **Facebook and Instagram** where we will continue to host and share FREE live dance classes throughout the spring time. You can always **#KeepDancing** right from your own home! We highly recommend at least one dance party a week to keep everyone's spirits lifted!

Keep an eye out for an exciting new opportunity to take class with Miss Rachel coming soon!

We truly appreciate your continued understanding and support during this unprecedented time. We know how difficult it has been for everyone to adjust to this reality. Please know that we are doing everything we can to provide our students with the opportunity to continue doing what they love! We know just how blessed we are to have such loyal and dedicated studio families!
