

RECITAL PHOTOS Saturday, April 13, 2019

Ideal Photography will be at the studio on Saturday, April 13th to take group photos of our recital performers. Students also have the option of taking a solo, sibling, or buddy photo immediately before or after (time depending) your class photo. If possible, **we ask that everyone who is performing in the recital is in the group photo.** Students should arrive at the studio in full costume, hair and makeup 10 minutes prior to the start time(s) listed below for their class photo. Since these are your photos, you may style your hair and makeup to your liking. You are not required to wear hair in a bun for picture day.
